

# IBD PRECEPTORSHIP IMMERSION TRAINING

**Course Co-Directors:** Dr. Benjamin Cohen, Dr. Katie Falloon, Dr. Manu Braga, Dr. Florian Rieder

**Course Description:**

This multi-day program will provide up to 25 company personnel with exposure to IBD related topics, case presentations, and in-person observation of endoscopy, inpatient/outpatient service and the OR.

**Educational Objectives:**

After completing this educational activity, the participant will be able to do the following:

- Advance their knowledge in the inflammatory bowel disease (IBD) space, including a greater understanding of decision-making in patients with UC; the safety of IBD medications; the IBD pipeline; IBD nurse perspective; and principles of management.
- Conduct rotations in an IBD outpatient clinic; IBD endoscopy; GI consult service & IBD OR, and infusion center.

**Target Audience:**

- Company personnel to help improve their skills, knowledge, and abilities in IBD.
